The United States has the fastest-growing and the largest incidence of diabetes in the world. . . Sikilis Preibus . . Full House 1 n . I only have enough space to talk about the first episode “Broken Homecoming”. Once you’ve watched the episode, however, that pit of tension, of fear, stays with you. It’s one of the reasons why the characters and relationships we’ve seen thus far, in the show, have shown us so much raw, open, honesty. We’re learning to feel and feel. There’s not much to say beyond that. “Broken Homecoming” deals with matters of race, culture, and a lot of other icky stuff. I’m not going to sugar coat that. You’re going to have to watch to find out more. And I recommend you do so. “Broken Homecoming” is one of the best episodes of television out there, so far. “Broken Homecoming” has a solid premise. “Melanie returns to her father’s house to reunite her family.

However, when everyone finds out she’s returned, they decide to keep her there against her will—even though it’s not her father’s house anymore. Melanie feels trapped and starts finding a way to escape. .
