Play On PC Game WebSite: Spirits of Mystery is an action game with an award-winning immersive story that has been crafted by a pair of long-time collaborators: indie game veteran Jonathan Knight and writer/director Christian Cantamessa. The game is filled with dark fantasy lore and richly drawn characters. The story focuses on Amber, a woman in a world torn between two factions. Forced into an unlikely alliance with the enemy, Amber will find that dark magic and betrayal are everywhere — including within her own family. The game's first chapter, The Crossing, focuses on a hardened Amber who accepts her fate as a servant to the enemy. But the biggest questions Amber faces are those that arise out of her own family history, where lies await those who venture into the darkness of Amber's past. These haunting questions are at the heart of what makes Spirits of Mystery such a compelling experience. Through stunning visuals, haunting music, and powerful storytelling, Spirits of Mystery brings together the best in unique storytelling and visuals. The game's stunning visuals, which are built using Unreal Engine 4, feature the same artistic, atmospheric style that have won the team a lot of critical acclaim. The story of the game is influenced by Nordic mythology, specifically the story of two characters: Gylfi the hunter and Ívarr the Viking. The game brings together a dynamic cast of characters including powerful mythological beings, beautiful courtesans, hardened warriors, and dark magicians. Spirits of Mystery: Amber Maiden Collector's Edition includes: • The entire game with beautifully handcrafted cutscenes • Exclusive artwork and illustrations • Full controller support • Steam Achievements • Trading cards for use in the Steam market • Exclusive in-game items • A full walkthrough for the game • A bonus playable character • Exclusive creature animations • Over 1,000 words of in-game story documentation • A DRM-free digital copy of the game • An in-game Steam friend code • Xbox One and PS4 discs • Steam DLC • A golden collectible, plus tons of additional in-game rewards Spirits of Mystery: Amber Maiden features stunning hand-drawn artwork by award-winning Christian Cantamessa.
