About Odin Sphere Yoshiyuki Sato, the creator of Odin Sphere, also developed the original Odin Sphere. For the content of all the Odin Sphere games, see the game website: ABOUT THE AUTHOR Yoshiyuki Sato Yoshiyuki Sato is a renowned game developer who possesses a wealth of experience. For Odin Sphere, he was in charge of designing the characters, story, scenario, and other important elements. His other current works include the popular titles of the Odin Sphere series, including "Shadow of the Damned" and "Odin Sphere: Leifthrasir." For the content of all the Odin Sphere games, see the game website: of Don Cossacks Don Republic is now a unique entity in Russia's economy. The largest in terms of area, the Don belongs to the elite and the most developing region in the Russian Federation. Don Cossacks' economy is well diversified, and the main occupation of Don Cossacks is agriculture, which is mostly focused on dairy production. Don Cossacks' economy is characterized by a low level of industrial production and high dependency on agricultural production. The major part of population in the Don is Don Cossacks' inhabitants. Economic situation The agricultural sector of Don Republic has been one of the most important branches of economy of the Republic. The establishment of the dairy industry, a progressive development of the meat-processing industry, development of the food-processing sector, as well as the creation of the most high-tech dairy products production have enabled the Republic to become the most important and developed region in the Russian Federation. According to the data of the Agroyulin, the number of dairy farms in the Republic in 2013 amounted to 3,216. The main area of dairy industry consists of the Western, Middle and Southern Don regions. Currently, there are 723 dairy companies, of which 230 are plants, 28 are financial companies, and another 33 are retail companies. The main directions of milk production are the following:— liquid milk, liquid milk and milk powders, cheese, fats and oils. There are 24 dairy companies in the Western Don regions, five of them in the Southern Don region. The focus is on the production of first-class milk. These companies hold 14.7% of the total share in the Republic. In

Features Key:

A Unique Online Universe - An Asynchronous Online World where those who want a quick game, or those who want to play when it's convenient for them can easily connect with others.

A Complete Story - An Epic Beginning that begins with a great sense of mystery and a powerful introduction to the world of Elden Ring, and builds to a thrilling conclusion.

An Epic Adventure - With two main story arcs and large amounts of content, the online game is an adventure that is not easy to complete in just a few hours. If you want to get it done, you have to bite off more than you can chew and work hard. Pshh... It takes awhile.

An Online World that Intrigues You - Based on the latest generation of the ARPG (Advance Role Playing Game) system, which is a complete, feature-rich, and improved re-creation of the classic ARPGs such as the "Suikoden". As a result, it provides a level of enjoyment that's not attainable in console RPGs for the same price. Enjoy the adventure within the online universe that you create yourself, making new friends along the way!

Elden Ring's online content gives you the freedom to enjoy the adventure of Land Between via an online world with other players. Create your own online world with customizable features or participate in other players' play. Show off your creations and find new friends with them. Explore other people's worlds. In this online world, players of all levels can unite together in groups or form a guild with their own rules. Enjoy world-traveling dungeons, participate in unexpected events, and achieve goals that will leave you with unforgettable memories!

*Online features are available via free download at the end of software update operation. An additional fee is charged. Terms for use with online features of Elden Ring are available upon its first use.

*Not available in all countries.

Software Upgrades are free of charge.
