A fantasy action RPG created by Arc System Works! The kind of game you've always dreamt of. • Classic RPG with cutting-edge graphics A classic fantasy action RPG that breaks with the conventional. The game enables seamless character customization, including the equipment and appearance, and has a rich story with a variety of battles. • An Epic Story with a Variety of Characters A long and complex story that's full of rich material. Interact with a huge variety of characters, from standard NPCs and bosses to legendary figures that you'll be able to meet in addition to the heroes, as you fight on the path to the Elden Lord. • Missions for Dungeons Prologue, Epilogue, and multiple additional missions in dungeons scattered throughout the world. If a dungeon mission gets too easy, there are new dungeons and a series of bosses where you'll face a fierce challenge. • Action Combat An action RPG that constantly increases the excitement with innovative mechanics. The combat is fast-paced, and the action is intense with a variety of skills to use. • A Variety of Special Skills You can combine up to five skills, and use your skills for both defensive and offensive actions. With an array of skills that are capable of dealing great damage, you'll come to enjoy the fun of finding the right combination. ■Character Information Age: □Male□ Height: □155cm (5ft3in)□ Weight: □56kg (123lb)□ ■Personal Style: Dress: □Long-sleeved black buttoned-up shirt and red pants□ Weapon: □A rapier and shields□ Equipment: □A copper ring and a bronze amulet□ ■Other: □I'm an Elden Lord□ ■Rookie Level is 0 (Story Events are considered a beginner's game) ■Lvl1 Mission: □The Training of the Revived□ ■Mission Information Can only be played in the Tutorial, and enemies have only the basic attack. Elden Ring Features Key:

Companions In the event of a dangerous encounter with monsters, you can use the power of the Elden Ring to simultaneously scan the position of enemy monsters to make things easier.

MP adjustments and Weapon Skill Recovering By taking into account your posture, certain combat moves can help you greatly reduce the cost of MP for weapon attacks and increase the amount of Weapon Skill received. Both of these functions can be used freely during battle to help you take advantage of your situation.

Features overdeveloped by the same agency which developed Psñec. 1 version.

Arc System Works in the Good Smile Company's store. Arc System Works capsules created by the Hiroe BABE who also worked on Ultraman Ginga 40th Anniversary, Ultraman Saga Scarlet, Gigant Danshi, and a number of games available in Good Smile Company's store. Twitter (@hbabe13)

Best scenario fantasy RPG since the popular mobile RPG "YU-NO", over- RPG LOTRO: Maximum | Precure

A yen-based online RPG from the event agency that created YU-NO and Precure and gained popularity with YU-NO's "Seijy" and Precure's tagline is available.
