"The Tarnished King" is a fantasy action RPG game developed by Osaka-based LEVEL-5. The title's story begins in the 17th year of the reign of the Beloved King, who is beloved by the people of the Land Between. The Land Between has once again been laid bare of the dark magic flowing within its earth, but it is in this situation that the dark spirits, called Org, begin to appear. This time, a young man who resolutely passed through the gates of a mountain to greet the Land Between—the new Tarnished King—is chosen by fate to rule the land, becoming the hero of the story. The Tarnished King makes the members of the Beloved King's ancestors appear before him, and they resolve to defeat the invading Org. The Beloved King's warlord father, the Tarnished King's leader of the forces, the battle-hardened vassal of the Tarnished King, and others are all brought together to fight. The narrative action is enriched by the stunning battle system of the game as well as the characters' intimate exchanges between each other. With the "character awakening" system, which allows you to change the actions of the characters at your disposal, you can create your own warlord that's equipped with the skills that you prefer, and fight with your allies as a team. Rise as a legendary warrior through the strategic management of your character and the conflict that unfolds. Experience the epic and dynamic online gameplay "Sequels" that seamlessly connects you to other players, and enjoy it together with them. • Original Character During the course of the game, the Tarnished King will rise to a new form of a warrior and his allies will undergo a transformation. • "The New Tarnished King" The story will proceed with the Tarnished King, who was the first to enter the Land Between, as its hero. • "The New Beloved King" The players will rise up as the new Beloved King's descendants. • "Sequels" The players will be able to choose to become successors of any of the new characters, with the original hero the "Tarnished King" at their side. PLAY SYSTEM: The game's characters have a wide variety of skills

Cate Blanchett has won the National Book Award for fiction for The River Thief. The jury for the 75th National Book Awards, which were announced in New York on Tuesday, on Monday cited the novel for "telling a unique coming-of-age story spanning generations in a haunting, lyrical style, imbued with grace and good humor." The River Thief is about a 10-year-old girl in northwestern China, who goes missing after an explosion at a local mine. Its true-life protagonist, five-year-old Li Xiaodong, is as yet unnamed. The novel gained further attention this week after footage of a young boy from the area, who bears a striking resemblance to Li Xiaodong, was released by the Chinese government. The two photos went viral on social media in China, sparking indignation among netizens. The book is under investigation by Chinese authorities, the New York Times reported.
