----- - Explore the dark hallways of the Drevis Mansion. - Unique weapons and items allow for a total of four unique playthroughs. - Use disguises and masks in order to overcome obstacles. - Manage your resources and combine your tools for multiple uses. The original "Mad Father" was a survival horror adventure game released exclusively for the PC in 2000. It became a cult hit, and was released on numerous platforms such as the PlayStation Network, Nintendo Switch Online and Steam. It was met with a huge response from fans and critics alike. The remake of "Mad Father" was developed by KTB Games, a new independent game studio, with a creative team composed of top game industry professionals. With renewed effort and extra resources, KTB Games has taken the original "Mad Father" to a new level. "A remake of a horror classic with old-school ideas and the perfect amount of personal touches. Unfortunately, we have to admit that this wouldn't feel like a remix otherwise, and you shouldn't blame us for that." Leon Scheer, KTB Games' CEO and "Mad Father" author. "After the original 'Mad Father' came out, I

never played it again. Then KTB Games managed to get the right team together to bring back 'Mad Father' to life with a new title and a new gaming experience." Patrick Machado, KTB Games' President. "There were many positive aspects about 'Mad Father' that I can't wait to replicate in this remake. The setting was unique and the storyline still shows how effective a horror game can be." Emma Thorogood, KTB Games' Art Director and Game Designer. "As a player, I really enjoyed the way you can explore every inch of the Drevis Mansion. And as a horror fan, I was delighted to see this remake bring back the great old atmosphere of those times." Stephen Whitmore, "Mad Father" original author. The game's character and setting have been heavily improved. You will get more insight into a number of details about the Drevis Family and the house itself. With the help of your new friends, you will be able to learn more about the disturbing cause that befell the Drevis family and what really happened that night. The signature "blood mode" is available for those who wish to relive the horror story. The first playthrough in this mode will only reveal a portion of the story and reward you

## **What's new:**

**Pyramid The Mad Father Pyramid () is an artificial snow dome, located in a suburban area of Yixian County in the Henan Province of China. Constructed in September 1985 as a 1984 summer Olympics venue, it was built to greet the Yulin Snow Festival of Yulin in 1999. The pyramid is generally considered a failure and has not proved popular. Construction was completed on time but went over budget, and the pyramid was finished behind schedule. It took nearly four years to build at a cost of ¥120 million (equivalent to US \$5 million) (reportedly around US \$2 million more than originally budgeted), but the finished complex never raised the popularity or fame of the Yulin Snow Festival. Construction of the Mad Father Pyramid began on September 25, 1984, with a target completion date of April 20, 1985. The pyramid was built under the auspices of the Henan Rural Construction Bureau. The project was completed on target but was over budget. The initial budget was ¥120 million (equivalent to US \$5 million) reportedly around US \$2 million more than initially budgeted. The staircase was not properly constructed and most of it collapsed, and the original estimation of tourists visiting the opening ceremony reached around 70,000, but this dropped to only 50,000 to 60,000 after the opening. Independence Day Major Chinese political group the Communist Party of China organized a march on the 23rd of March to celebrate China's 30th anniversary of their founding, the 31st anniversary of the founding of The People's Republic of China, the National Day. To open the event, a youth group from the Yixian County Number 4744 Communist Party Committee climbed onto the Mad Father Pyramid, and led a march into the city. The participants in the march were members of the youth group from the Yixian County Number 4744 Communist Party Committee. The march lasted over 20 minutes and was watched and reported on by thousands of people. Opening ceremony Background The 1984 Summer Olympics in neighbouring city Harbin was considered by**
