The following is a list of the game features available as of update version 1.1. 2.Chapters of the story are completed. This includes the creation of a new story, the deepening of the current story, and the unification of content. 2.Voice acting for event scenes. Update Version 1.1 update: 1. New "Golden Fleece" equipment. 2. Equipping armor from the Gnolls will add Rage that can be activated during combat. 3. Added a "Ground Attack" button to the Cestus and Teredost. 4. Character customization for the Gnolls, Sulmu, and Elden Lord. The story of "Rise" continues on. Please download the latest update and follow us on Twitter and Facebook! Update 1.0 updated: 1. New "Cestus" equipment. 2. A dialogue scene for the Huaxia clan. 3. New character and NPC models. 4. An additional part of the story will be added after receiving your feedback. The first demo version is available now. We hope you enjoy it. Download the demo version at: 1. New "Teredost" equipment. 2. New dialogue scenes. 3. Additional parts of the story are added for feedback. 4. New mouse and keyboard controls. ----- Questions and answers: 1. Can I get the key? Please download the game on the website and see if you can get the key. Once we get enough feedback, we will contact you with the details, if you are interested. 2. What languages are available? You can select English, French, German, Japanese, Italian, Russian, and Spanish. 3. There are some scenes that do not have voice acting. Thank you for your feedback. We are currently working on the final version, and we will resume the voice acting soon. 4. The mouse and keyboard control are very simple. We understand that some users might have trouble controlling the game with the limited number of keys on the keyboard and mouse. For those cases, we added support for three-axis motion controllers, which we think is a lot easier to use. If you have the opportunity, we encourage you to test

■ ELDEN RING PANTAGON

In the Lands Between, the Seven Dragons formed a protectorate called the Elden Ring, and one of them, the Ashurum Kingdom, controls the territory. People from the rest of the world, however, labeled the defendent the Amurum Kingdom on the pretext of it being an orphanage empire, and began to attack it. Meanwhile, during the six years of the invasion and a long period of time in which the Ashurum Kingdom stagnated and became powerless, another side, the Ashurum Empire, appeared, believing that the people of the world should be united as one.

When the war was just beginning, the Ash
