AVG Secure VPN License Key 2021. . Warning: Failed prop type: Invalid prop `onBlur` of type function supplied to `ColorPicker`, expected object I am developing a colorpicker in React using react-color-picker-renderer. The code works fine but I get two warnings which indicate that the prop I have supplied is incorrect. In the class I am using the onBlur prop as this.state = { color: { value: '', onBlur() { const color = colorPicker.getValue(); // do something here } } } and in the render colorProp.set({ name: 'color',
