Fifa 22 Features Key:

- Improved commentary. Four new commentators provide in-depth commentary of the action and provide insightful analysis with their many years of experience.
- Best-ever animations and attention to detail – be part of the footballing spectacle with the best-ever set of animations and all-new controls including intelligent dribbling that adapts to your personal style. Get up close with your opponents with a new interactive crowd simulation that reacts to every movement of the game. Also, as in real life, you can tackle, scream, dive or throw yourself in your opponent’s way. FIFA 22 also captures the speed and unpredictability of real-world play – Crowds demand unpredictability so you’ll find yourself having to dictate the pace of the action.
- The latest kit designs from Adidas, the biggest and most exhaustive collection of player data to date. Perfect your skill of creating your dream team and bring the glory to your club! Innovative filtering brings authenticity to your engine-driven club: Choose from manager-suggested squads, ensuring you have a balanced squad; or build your own custom team from the best available players or create a squad using Adidas FC Customise where each player’s kit seamlessly adapts to their real-life counterparts.
- 400 Authentic Stadiums, bringing to life your favorite football memories in the most authentic way possible. Take full control over the design of your stadium in the Club Design mode, creating your own unique look and feel with hundreds of unique designs. Inside the stadiums,

players have a new depth of emotion with their on-pitch emotions which will help you to choose the right time to commit a penalty, offering an analysis of how they are feeling. Turn your stadium into the footballing arena that you desire, and give your players the motivational pop-ups that they need to deliver on the pitch.

- New Power-ups - Adidas' new technology makes the ball jump significantly higher, this natural motion of the ball in the player brings your player the ball up on the wall and opens up a new dimension of power-ups. The new system allows you to create a new dimension of opportunities to score with rocket-assisted shots, through-balls and deflections from the new ball-workingly responsive boots.
- New Intricate Particle Physics. Breathtaking advanced technology once again shapes and controls the world of FIFA. Intricate particle physics creates a new

What's new:

- **New network architecture optimised for 64-bit architecture for higher frame rates: it will yield a more stable online experience. Fixes a crash that occurred when using certain combinations of controllers or when joining a game with the PlayStation Camera.**
- **"Zoom Lens" design offers the perfect balance between performance and accuracy. "Stagger Lock" makes saves more reliable in tight situations.**
- **"Improved Passing Control System" enriches the effectiveness of football intelligence. Fixes the "Zonal Defence Line" mechanic, so the corner flag can stay at its natural position.**
- **New dedicated tactics modes: Tutorial, Coaching Max and Adjust own offensive tactics.**
- **Improved Finishing Modules: Introducing varied approach to dribble within the STRIKES.**
- **Improved Ultimate Team Balance Matches: Introduced "Keeper" mode: Allows you to view the back four of your defensive team alongside the keeper. FTS FINALLY WORKS!.**
- **Introducing Three-Star Tactics. New tactics matter more, and you get more of them.**
- **Making head-to-head battles deeper: Introducing match specific skills (Best Assists, Passions, GK%), adding to match goals as a whole and making diving refs just plain annoying!**
- **"Ranked Matchmaking" - Tired of looking out for bots all the time? No problem. We have the ability to do rank matches by season and all your friends. Also, no scenario is banned.**
- **Create-A-Team: Create your very own team and gain experience, head-to-head stats and create the ultimate FUT team. All teams are created equal!**
- **Fully revamped Diamond Crate: More flexibility with how to spend Diamonds, and more time dedicated to each currency, as it's your most valuable currency. Fully reworked fatigue system.**

-
- **FUT Draft: New Ways to Draft from FUT to FUT and create your own Draft Club.**
 - **New Live Rosters: Rotate and personalise team and players in-game.**
