Satyagraha is the story of a son who yearns for his father. - Satyagraha is the story of a father yearning for his son. - Satyagraha is the story of two brothers who never see each other again. And they won't until it's time for a change. They live in different hemispheres of the earth, different countries, and even speak different languages, but they have a common pain. One of the brothers, who became a father at a young age, is now a grandfather. He waited all his life for his son to return to him, but this did not happen. The one who waits can wait all his life, but never wait.
