June 23, 2021 - These Halo: Combat Evolved modding tools feature Guerilla, Sapien, Tool, and Standalone. First, Guerilla is a program that allows you to... well, you know. Secondly, Sapien is a program that will allow you to... well, you know. Thirdly, Tool is a program that will allow you to... well, you know. Fourth, Standalone is a program that will allow you to... well, you know. (No, it doesn't let you see where this guy is in Halo, you just see his face on your screen.) Halo: Combat Evolved is the game where Halo doesn't have Halo. That is, I understand that this should not be a cause for disappointment. Halo:

Search form Spring Clean Up By Sarah Lee We've all heard it before: Spring time, and what does that mean but to clean house and what better time to do that than when you can make your home appear fresh and welcoming. Whether you need to get rid of things you no longer like or need to clean out all the belongings stuffed in your garage, having the whole house cleaned out is definitely a good way to get started. Clean out the garage The garage is one of the worst places for clutter and junk, so use this spring as a good time to make a clean break from the clutter and get rid of items you no longer use. As you clean out your garage you'll be able to see what you really need and what you really don't need. Next move your items to the curb and put out a sign to show people that you are ready to clear out the rest of the clutter in your home. Clean out your closets If you don't have a garage, think about having a room devoted solely to storage. You can make your parents or friends come to you to take out anything that doesn't fit in your house
