Hichul faced criticism from Super Junior fans when his voice broke during his performance of the song "U," which negatively affected him and made him want to quit ... KBS2's "Music Bank" at the end of June. Hichul was unable to fully perform the track, but nevertheless, that didn't stop him from becoming a chart topper that day. Hichul quickly apologized, though he claims it was Park Myung

Soo became the first Korean actor to play in a Chinese drama! On June 28, a representative of Keyeast Entertainment stated, "Park Myung Soo has landed a role in the Chinese drama 'Cold Rain.' He will be reincarnated as an actor named Park Young Sik. Please look forward to his appearance in the drama."

They were literally flaws in her voice; she turned them into virtues in her singing." Giulini believes, "If melodrama is the perfect unity of a trilogy ... drama, sentimentality, comedy, melodrama, the music of 'La Traviata' excels in the genre." "La Traviata" became a masterpiece, the greatest of Verdi's operas, and already in 1842 its first production was an event in the musical life of Paris, and in 1847, when "La Traviata" was first staged at the Grand Opera, "the opera enjoyed such success that the theater had to close for several days," notes G. Freeman. dd2bc28256
