Industry Inc is a font set based on the bold capital style of the Hold Fast Industry family. The typeface is made up of many distinct styles. The font looks good both on web pages and in printed documents. The fonts are available on the font page, but you can download them from the property page on the tools page, or from the font page on the property page on the Fonts tab. All fonts have the extension .ttf (*.ttf). All fonts are 32â€128 in size. You can set the font size using the font and sizes, and then use that information to get font installation information. Industrial fonts created by

Industry Inc Base Font Free Download

Industry Inc is a font set based on the bold uppercase style of the Hold Fast Industry family. The typeface is made up of many distinct styles. The Industry Inc typeface uses a technique used for typing on industrial equipment to create emphasis with thin lines. The font bar consists of letters and symbols that are distinguished by thin lines that underline the text, and for Hold Fast Industry fonts, a set of such lines underline the text. In a set, the Hold Fast Industry font comes with all the Hold Fast Industry symbols and symbols for other typefaces. dd2bc28256
