Item #: SCBSVF Item Size: 1.3 x 1.7 x 3.5 inches Material: Plastic Wipe Clean: Yes Material Details: The journal is really light weight and the best part is it will NOT chip or break. The edges of this journal are very sharp as well, so if you place your notepad on a flat surface you will be able to see the lines and they won't get blunt or scratched up. There is no glue or glue-like stuff holding the journal together, which is a plus in my book because I hate things that are glued together. Overall I really really really like this journal. I have received many compliments about it. Description: An ultra-cool e-journal for your pens, pencils, and notepads. Item #: SCBS
